## ● Thursday 1<sup>st</sup> of November

- ✓ 9:45 Departures to Possagno
- ✓ 11:00 Arrival in Possagno e visit to the temple, the museum and the house of Antonio Canova
- ✓ 13:00 Lunch in Castelcucco by a typical rural house on the hill
- ✓ 15:00 Visit of an old cheese - factory with traditional machines
- ✓ 16:30: Visit of Madonna del Covolo sanctuary – religious traditions
- ✓ 18:00: Visit of the city center of Asolo
- ✓ 20:00 Back to Treviso – relax and free time

A really beautiful and sunny day has been with us during the 1st November 2007. We celebrated the 250 years from the birth of the famous neo classical artist Antonio Canova, born in Possagno (Treviso) on 1<sup>st</sup> November 1757. We visit the Gipsoteca-Museum of Antonio Canova and his house, including all his sculptures (models and some originals like the sculpture “Eros” coming from Poland for this special event). We visited also the marvellous temple projected by Antonio Canova and then we had our lunch by a typical house of the countryside hosted by a friend of Giancarlo, Daniela, who wait for us with a great energy and enthusiasm offering a great lunch with the typical food of the countryside (pasta, polenta, cheese, bread, wine,..). She has got a beautiful house in Castelcucco, a small village close to Possagno, with a lot of animals and a very nice garden on the hill with a lot of trees offering the special colours of the autumn time.

In the afternoon we visited an old cheese factory with a guide who showed and explained us how was made the cheese one time (till 30 years ago) using very traditional and old mechanical machines).

After that we moved to the sanctuary of “Madonna del Covolo” by the mountain called Grappa (Monte Grappa), really famous for what happened during the first world war. We visited finally Asolo, always on the hill, the pearl of Treviso countryside, very rich of history, culture and traditions, and favorite village from Venetian people during the Republic of Venice in 18<sup>th</sup> century.

We came back about at 8 pm, and the participants preferred to have rest, relax and free time.

[simonecaramel@yahoo.it](mailto:simonecaramel@yahoo.it)

“Garnikalia” gave us very interesting and useful informations about Cataluna: cultural, historical, art, food, dance and music informations about this region of Spain.

“AMV association” presented the activities that they are doing with the local beneficiaries especially showing us how they are working, what they are painting and the art objects they are doing. During the first year the beneficiaries are taking account of the art techniques copying models, and during the next year they will improve their abilities working with imagination creating new models by themselves.

## 2. Evaluation of questionnaires (graphs, statistics, comments)

We will talk about this point during next meeting.

## 3. Newsletter II – responsible, content, dead line, dissemination

The second newsletter has to be done and disseminate within February 2008. Within December 2007 all the partners will prepare a resume of their activities in progress (especially the contest of the poetry and photographic competitions with some pics (3) from each one (1 page)). Within January 2008 Simone Caramel will do the newsletter and will show it to the partners, and the newsletter will be disseminate during February 2008, before the next meeting. Each partner will disseminate the second newsletter in their own language, in order to promote the competitions.

In the website we will put all the newsletters in English and in the local language.

## 4. Brochure: objectives, target groups, general structure, content, presentation (printed or/and on CD), dead line of the first version

About the brochure we agree to prepare (each partner) a resume of the activities done during the first year of the project including pictures (3/4 pages word A4...characters 11 size) and also a small presentation of each organization including logo and pictures(half page word A4 ...characters 11 size). This work has to be done and presented during the next meeting in Castelldefels – Spain from 2 to 6 april 2008.

The Brochure should be approssimatively of: 2/3 pages for the presentations of each partner, 12/16 pages for the activities of each partner, 4 pages for pictures and messages as common product of all the project.

### **Saturday afternoon:**

#### 1. Next year of the project

About next year of the project Eurogems presented the idea to develop a poetry and fiction competition, and to stimulate the local beneficiaries to collect interviews in the local community about cultural heritage.

Garnikalia will do a poetry competition, while AMV will promote a photographic competition. Cuvantul of Gorji will promote a musician competition. The winners of each competition will be beneficiaries traveling for the project.

#### 2. Web site: structures, contents, languages, responsible for website of each ngo, responsible for creating the website and updating

Eurogems suggest an idea about how to give a structure to the official website of the project. All the partners agree. Within next meeting Eurogems will find a domain for the project (i.e. [www.culturalheritage.tk](http://www.culturalheritage.tk)) and will present the the structure of the website with collaboration and participation of all the partners

#### 3. Next step of the projects: preparing next meeting with beneficiaries (how and where)

Garnikalia will host next meeting between beneficiaries from 2 to 6 april 2008

#### 4. Evaluation of the meeting – questionnaires

Each participant has completed a questionnaire about the meeting – what was good, bad, what has been missing, and so on.
